

Star Club Membership

A printing plant can become a member of the Star Club. This award is presented to a company in recognition of outstanding printing quality if it achieves 5 or more stars by participating successfully in the International Newspaper Color Quality Club or by obtaining WAN-IFRA certification for standardised printing. One "Star Club" star is awarded for each successful INCQC participation in a competition year, independent of the number of successful entries. Two "Star Club" stars are awarded for the successful WAN-IFRA certification of a printing plant. Certification is valid for two years, after which it can be renewed.

Status as of 2014-09-09
